HISTORY

PT Anugrah Lumei Raya is an Indonesian cosmetic packaging supplier that has been in the cosmetic packaging industry for 18 years. We have a team of expert packaging consultants that can help you achieve your dream product packaging.

PT Anugrah Lumei Raya currently has 2 local factories for PET and PP products. We developed our first factory PT Kiroly Lagonder Sejahtera in 2011 and now we have supplied over 150 clients for their PET bottle needs. Our factory offer customised and regular PET-bottle ranging from 12ml - 500ml.

Our newest company member is PT Elka Abadi Industri established in the end of 2019. The Elka factory develops PP material products with top quality material. We currently provide several cap options for your packaging and PP jar products. Customisation is also available here.

Our company has a wide product range that we believe will always accommodate your packaging needs. We understand how important packagings are, our priority the quality of our packagings to keep your products safe.

MACHINE

Mesin KX ZHIFENG series servo injection moulding adalah generasi ke 3 dari produk servo produksi KAIMING. Mesin ini menggunakan komponen yg di import dari brand ternama, metode kontrol yang mutakhir, dan komponen mekanikal dengan performa unggul untuk membentuk sistem servo yang berkualitas terbaik. Mesin KX Series injection moulding machine menggunakan metode kontrol independen yang canggih dan komputer kontrol servo spesial, sehingga mesin ini memiliki berbagai keunggulan yaitu hemat energi, efisiensi tinggi, akurasi presisi, stabilitas, mudah dirawat, kebisingan rendah, dan daya tahan mesin yang tahan lama.
